

ABOUT US

We wish to introduce ourselves as "HEYLANDS EXPORTS (P) LIMITED" - Exporters of food items with an experience of two decades in this business. Our Corporate Office and production plant is located in Chennai the capital city of Tamil Nadu.

The company was established in 1987, and in last two decades has earned a good reputation amongst the people in Canada and Europe. Our products are designed as per the needs of Global market and to satisfy their daily needs. We export Spices and other Food Products to Canada, London, France, Switzerland, Norway, Germany, USA and Singapore in branded consumer packs. In Canada and Europe market our products are famous under the **BRAND NAMES Niru, Suryaa, RUS-C and SevenHills in USA.**

THE PRODUCT

The company follows a strict multi-stage quality control system - from raw material selection through cleaning, grading, processing, packaging, right upto storage and shipping. From the beginning of the selection of the Raw material till the delivery of the Finished Product, our quality Controllers scrutinize the each activity to ensure the quality. As we have the direct access to the huge suppliers we purchase each raw material in bulk quantity to retain its quality and taste around a year.

THE PROCESS

We supply our products in the consumer packs in required quantity as per the customers wish. The packaging is done in the food grade pouches which make sure the food products to retain its flavor and freshness. We use hi-tech machinery to ensure the quality and perfect sealing.

As the technology advances, we keep up with the same. Our factory is equipped with latest advanced machinery for many of the operations such as Cleaning, Sorting, Boiling, Washing, Roasting, Blending, Grinding and Packing. All the operations are done under hygienic condition and International standard.

Our certifications are

WHAT THE CUSTOMERS SAY?

"Heylands Exports is a reliable Quality supplier and Never fails to stick to terms of order"-Europe, Canada, USA and Singapore.

HEYLANDS EXPORTS

FARM FRESH COCONUT

OUR PRODUCTS

Farm Fresh Coconuts

Hand picked organic coconuts

VIRGIN COCONUT OIL

Our unrefined cold pressed virgin coconut oil is extracted from the white kernel of coconut. It is never bleached or chemically treated so that it retains all that natural richness in flavour, aroma and nutrients.

Best quality virgin organic coconut
100% certified organic.

SHREDDED COCONUT

The rich white meat of fresh organic coconuts are manually separated from their shell and cut to a fine shred. No sweeteners / Preservatives / Whiteners are added. Suitable for vegan, gluten free and other special diet. It is a delicious and versatile ingredient unique in texture and appetizing flavour.

Vegan delicacy.

HAND GRATED COCONUT

Pure white, coconut meat / Flesh are finely hand grated to retain the texture.

COCONUT MILK

Our coconut milk is obtained by pressing fresh white organic coconuts to produce a silky, cream-white, which is an ideal substitute for dairy product in your cooking.

COCONUT CREAM

Our coconut cream is made by grinding the white kernel of naturally grown coconuts to achieve smooth creamy consistency. It has a creamy coconut taste and can be used in dishes where the coconut flavour is needed or a thickener for many dishes.

SLICED COCONUT

Unsweetened coconut slice makes a great addition to balanced diet.

COCONUT WATER

DESICCATED COCONUT POWDER

Our coconut powder is a high fiber, coconut powder is created from the fresh meat of the coconut. It is the most traditional flour and is great for baking.
