

Farm Fresh Coconuts

Hand picked organic coconuts

The rich white meat of fresh organic coconuts are manually separated from their shell and cut to a fine shred. No sweeteners / Preservatives/Whiteners are added. Suitable for vegan, gluten free and other special diet. It is a delicious and versatile ingredient unique in texture and appetizing flavour.

We are marketing our products in brand **NIRU**.

Our Products

SHREDDED COCONUT

- ▶ Vegan delicacy.

COCONUT MILK

- ▶ Niru coconut milk is obtained by pressing fresh white organic coconuts to produce a silky, cream-white, which is an ideal substitute for dairy product in your cooking.

SLICED COCONUT

- ▶ Unsweetened coconut slice makes a great addition to balanced diet.

HAND GRATED COCONUT

- ▶ Pure white, coconut meat /Flesh are finely hand grated to retain the texture.

COCONUT CREAM

- ▶ Asian culinary preparation, as a base for thick gravies and soups.

To look the best Eat the Best

We wish to introduce ourselves as "HEYLANDS EXPORTS (P) LIMITED" - Exporters of food items with an experience of two decades in this business. Our Corporate Office and production plant is located in Chennai the capital city of Tamil Nadu.

The company was established in 1987, and in last two decades has earned a good reputation amongst the people in Canada and Europe. Our products are designed as per the needs of Global market and to satisfy their daily needs. We export Spices and other Food Products to Canada, London, France, Switzerland, Norway, Germany, USA and Singapore in branded consumer packs. In Canada and Europe market our products are famous under the **BRAND NAMES Niru, Suryaa, RUS-c and SevenHills in USA.**

THE PRODUCT

Our products are the result of the committed effort of research and quality control. We give superior quality, healthy and tasty foods which are from natural raw materials. Our products range includes Spices, Rice, Dhal, Oil, Pickles, Processed food items, Instant Mix and many more. We also exporting Frozen food items. We herewith attach our detailed product list.

The company follows a strict multi-stage quality control system - from raw material selection through cleaning, grading, processing, packaging, right upto storage and shipping. From the beginning of the selection of the Raw material till the delivery of the Finished Product, our quality Controllers scrutinize the each activity to ensure the quality. As we have the direct access to the huge suppliers we purchase each raw material in bulk quantity to retain its quality and taste around a year.

THE PROCESS

We supply our products in the consumer packs in required quantity as per the customers wish. The packaging is done in the food grade pouches which make sure the food products to retain its flavor and freshness. We use hi-tech machinery to ensure the quantity and perfect sealing.

As the technology advances, we keep up with the same. Our factory is equipped with latest advanced machinery for many of the operations such as Cleaning, Sorting, Boiling, Washing, Roasting, Blending, Grinding and Packing. All the operations are done under hygienic condition and International standard.

Samples from the each batch of the product are cooked and tested for its taste before the packing is done. We make our products under the vigilance of the Indian Certifying Authorities Spices Board, APEDA.

OUR ORGANISATION IS FSSAI and ISO 22000:2018 CERTIFIED.
